We have offices in almeria and Roquetas De Mar. We have property for rent in La Envia Golf, Retamar, and almerimar see our golf holiday pages for more details. We are a property rental company that take pride in our quality of service. Our intention is to make owning your property in Spain as easy as possible.

You can rest assured that your holiday apartment in Roquetas, Retamar, Almerimar or La Envia will be in safe professional hands. We also have long term property rentals in many areas. We are number one for holiday rentals and golfing holiday packages in western Almeria.

Almeria is the most westerly province of the region of Andalucia. The resort of Roquetas de Mar is just 30 min car journey from the historic capital city of Almeria and airport. The province is the driest in Spain with some parts officially classified as desert.

The urbanisation of Roquetas de Mar boasts some of the best beaches in the area. There are several golf courses nearby and the town has a modern shopping centre. Much of the non coastal area is used for fruit and vegetable production. Whilst on vacation here you are well positioned to visit Granada and the Costa del Sol.

The holiday resorts on the Costa de Almeria are well maintained and there are plenty of facilities and things to do. You could not be better suited to a vacation of luxury and leisure than a holiday apartment rental in Roquetas de Mar, El Toyo, Almerimar or La Envia.

Our property management team ensure that your holiday home is regularly checked and will be maintained and cleaned for your use or for rentals if you so wish. Contact us for a professional approach to villa and apartment management with tailor made plans for your requirements. We can supply qualified and trustworthy tradesmen such as painters, builders, kitchen fitters and gardeners. Apartments for sale in Roquetas de Mar.
